

UNIVERSITY OF QUEENSLAND BUSHWALKING CLUB.

PROGRAMME FOR FIRST TERM 1958.

First term trips this year include new areas both to old members and freshers, and we know they will be interesting. So come along and enjoy the fun. If you have any enquiries ring one of the committee members.

Sunday 9th March ..... Day Walk - World's End Pocket.

The walk will be from World's End Pocket to Lake Manchester and thence to Sapling Pocket and returning to World's End Pocket. Plenty of good scenery and swimming. Bring your togs and lunch. Wear old clothes and walking shoes. Girls, please don't wear skirts. Details of transport will be announced.

Wednesday 19th March ..... First General Meeting

George St. Refectory 7.30 pm.

This an important meeting for Freshers, as our experienced members will be giving talks on food, equipment etc.

Arrangements will be made for the Easter trip.

Easter Trip 4th-7th April. ..... Raining Cliffs.

A Base Camp of unlimited possibilities for 1 or 2 day walks will be situated above the Raining Cliffs. Here is gloriously cool Lamington with waterfalls and splendid scenery even from the campsite.

A Thruwalk will be run from Bull Ant Spur along the spectacular East Canungra Creek, across the Darlington Range to Coomera Crevice, the Border Track, Black Canyon, Red Rock Cutting, Left Branch Albert River, and Stockyard Creek track to the base camp. Need we say more!!!?

If you wish to come, a deposit of 10/- must be in the hands of one of the Committee by Wednesday 19th March.

Please watch the NOTICE BOARDS.

Wednesday 9th April ..... Second General Meeting.

George St. Refectory 7.30 pm.

We shall hear and see all the details of the Snowy & Tasmanian Trips at this meeting.

Arrangements will be made for the next two trips.

April 25th-27th (Anzac Weekend)..... Blackfellow's Ck.- Mt. Mistake.

A treasure of interesting scenery missed by the Club in past years. High falls, cliffs, coal outcrops, Hole-in-the-Wall, and Mt. Castle.

Transport will be by train and truck. A deposit of 10/- should be in the hands of the Committee by 9th April.

May 3rd - 5th ..... Wyberba.

Feeling tired after Commem? This is a place that will really buck you up. This unusual area has much to offer yet.

Transport by private cars.

Wednesday 14th May .....General Meeting.

George St. Refectory 7.30 pm.

We are trying to get some films on climbing for this meeting. So watch the notice boards for further information.

First Vacation.....24th May - 9th June.

There is no official Club trip arranged for the Vac, as we feel that private trips are more successful. If you wish to go on a trip, let us know, and we will find someone to go with you....We hope!.

Queen's Birthday 7th-9th June ..... Mt. Byron - Diana's Bath.

Be careful this weekend as Diana is supposed to bathe in this beautiful pool in the moonlight, and past mortals watching her have been turned to stone. Mt. Byron contains thick jungle and Aboriginal cave paintings. If it is warm, we will surely share Diana's Bath.

Transport will probably be by private car.

EQUIPMENT. Remember that the Club has rucksacs, sleeping bags and tents for hire. These are intended especially for the use of new members.

Details of all meetings and trips will appear on the University Notice Boards. So keep your eyes open.

Remember each member is expected to bring along a little SUPPER to each meeting.

MEMBERS OF THE BUSHWALKING COMMITTEE WHO MAY BE CONTACTED FOR ANY TRIP QUERIES ARE:-
