Transport is difficult and definitely needs to be arranged before hand.

Wednesday 6th July . . . . . General Meeting.

Mr. George Mack, Director of the Queensland Museum, will speak and show films on Natural History subjects.

Sunday 17th July . . . . . Another Climbing afternoon.

We may find some new cliffs to climb elsewhere.

Details later.

22nd-24th July . . . . . Glasshouse Mountains.

There are plenty of ways to get to the top. Take your pick.

Guess what?.....NO DEPOSIT!

Wednesday 27th July . . . . . General Meeting.

Arrangements for second vac. trips and other earbashing.

SECOND VACATION:

A trip to the Tweed Ranges may be arranged, and, of course, Mt. Barney is still waiting.

Wednesday 7th September . . . . . Annual General Meeting.

Nominations for the Committee must be in the hands of the secretary by the beginning of the meeting. Why not nominate your best friend? Another earbash meeting. Photos, Kodachromes etc. ad nauseum.

Sunday 18th September .... Day Walk.

Forget the cares of third term in the fragrance of the Australian bushland ?!?!?

Besides the wild flowers will be out so do come along
